

## Signing up to play in tournaments

Click on “Tournament Schedule” in the top banner on kjga.org

The list of tournaments will appear. On the far left of each tournament listing it will either show “CLOSED”, “OPEN” or a date on which registration for that event will open.

- If the tournament says “CLOSED” it’s because the registration deadline has passed.
- If the tournament has a date in the future then on that date you can come back to this page and that event will say “OPEN”
- If the tournament says “OPEN” it means you can register to play in that tournament.

When you click on an “OPEN” tournament (either the name of the tournament or the “View” link it will take you to a page that looks like this:

Click on the “Register Now For...” button.

If you have not signed in it will take you to this page to sign in.
